Summer's Here... Enjoy It ... and Let It Continue into Fall at Artisan Studio!

Summer Art Camp @ Artisan is great fun, creative and inspiring!

Students become campers during our summer sessions. Send your child for a single week, just a few weeks or the whole summer...we're flexible! (Discounts are available for multi-week and Facebook 'Likes'). Half and full day programs are available for kids ages 4-14 as they spend their days creatively enjoying the company of other kids who share in the appreciation and excitement of making art... all in a well supervised, clean and inspiring environment. **Campers and students of all abilities are welcome!** Talent or experience are not necessary at all.

Fall Art Classes at Artisan Studio are offered to children and adults of all ages, in almost all mediums. It's hard to believe we will be celebrating the start of our 10th year in February! We have enjoyed and take pride in our reputation for providing a very caring, inspiring and nurturing environment. Our instructors love to share their passion and expertise in art. Our studio has been known for its innovative selection of classes: we are the first local art school to include Fashion Design & Illustration, Sewing, Papier Maché and Multi-Cultural Arts classes. We also offer the popular drawing, painting, cartooning, mosaics and origami classes. Our staff has expertise in diverse artistic venues, but the shared trait among our instructors is their passion for their area of knowledge, beneficial to our campers and students in many ways, bringing new skills, confidence and self esteem.

Unique Classes: Anime & Manga, Famous Artists, Fashion Design & Illustration, MultiCultural Arts, Papier Mache, Origami, Portfolio Prep, Sewing and the traditional drawing and painting classes are offered.

Papier Maché is very popular for students ages 8 and older, creating just about anything imaginable using newspapers and maché paste, made the old fashioned way. Origami classes help students improve dexterity, hand-eye coordination, memory and even mathematical skills as they follow sequences in folding. The finished items are graceful, and often interactive and fun! Art history is also popular as students choose between Multi-Cultural Arts or our Famous Artist classes where they create original artworks inspired by history, presented in interesting and creative ways. Portfolio Prep is for high school students interested in pursuing a career in art and need to prepare a portfolio for college admissions. Anime and Manga appeals to teens, a highly stylized form of cartooning. Our newest addition of Fashion Design & Illustration on Saturdays brings a second fashion class with a focus on drawing and designing.

Art Parties at Artisan are creative & fun, for Birthdays, Scouts, Special Needs, Ladies Nites & Fundraisers. Looking for a creative change of the usual party activity? Our spacious and inspiring facility has a separate room for eating and another for the chosen activity. The party guests all leave with a very original piece of art - a great party favor! Scouts and Special Needs groups also may choose 'mini -parties' so that they can earn their badges or learn a new skill! For a night out or brunch activity for the ladies, choose a 'Ladies Nite' type of party where the gals get together for a fun time of creative art making while enjoying refreshments of their choice - great for fundraisers too!

Summer is here! "Enlighten" your children with facts about the sun and "heat up" your child's love of learning by making it a fun activity that celebrates summer.

Our "Super Star" called the Sun: The sun is a star, a hot ball of glowing gases at the heart of our solar system. Its influence extends far beyond the orbits of distant Neptune and Pluto. Without the sun's intense energy and heat, there would be no life on Earth. And though it is special to us, there are billions of stars like our sun scattered across the Milky Way galaxy.

COOK WITH THE SUN ACTIVITY

Make use of the sun's heat to make some hot tea with your child.

SUNSHINE TEA RECIPE

Enjoy your favorite tea by cooking it with sunshine! What You'll Need:

- 1-quart glass or plastic jar with top
- Water
- Tea bags in any flavor/variety you prefer

Fill a clear jar with water. Add 3 tea bags of your favorite tea. Cover the jar, and set it outside in the sunshine on a warm sunny day. Let the tea brew for 4 hours. Remove the tea bags, and refrigerate until cool. Then treat yourself and your friends to a cool sun-brewed drink! Explore more foods and drinks to cook with the sun, again using the sun as the heat source. Try hot dogs or a melted cheese sandwich!
